KEITH ELLISON
MINNESOTA ATTORNEY GENERAL

Keith Ellison is Minnesota's 30th attorney general. As the People's Lawyer, Attorney General Ellison's job is to help Minnesotans afford their lives and live with dignity, safety, and respect. Ellison will address PBI conference attendees and guests virtually to discuss racial justice. He will follow his keynote address with a short Q & A.

From 2007 to 2019, Keith Ellison represented Minnesota's 5th Congressional District in the U.S. House of Representatives, where he championed consumer, worker, environmental, and civil- and human-rights protections for Minnesotans.

Before being elected to Congress, Attorney General Ellison served four years in the Minnesota House of Representatives. Prior to entering elective office, he spent 16 years as an attorney specializing in civil-rights and defense law, including five years as executive director of the Legal Rights Center, a public-interest law firm. There he oversaw a team of

attorneys focused on delivering justice for Minnesotans who had nowhere else to turn. He was also a noted community activist.

STACEY ABRAMS
BESTSELLING AUTHOR, NONPROFIT CEO, POLITICAL LEADER

Stacey Abrams is a New York Times bestselling author, serial entrepreneur, nonprofit CEO, and political leader. After serving for 11 years in the Georgia House of Representatives, seven as Democratic Leader, in 2018, Abrams became the Democratic nominee for Governor of Georgia, winning more votes than any other Democrat in the state's history. Abrams will address PBI conference attendees and guests virtually to discuss racial justice and voter suppression. She will follow her keynote address with a brief Q & A.

Abrams was the first Black woman to become the gubernatorial nominee for a major party in the United States, and she was the first Black woman and first Georgian to deliver a Response to the State of the Union.

After witnessing the gross mismanagement of the 2018 election by the Secretary of State's office, Abrams launched Fair Fight, an initiative to fund and train voter protection teams in 20 battleground states, to ensure every American has a voice in our election system. Over the course of her career, Abrams has founded multiple organizations devoted to voting rights, training and hiring young people of color, and tackling social issues at both the state and national levels. In 2019, she launched Fair Count to ensure accuracy in the 2020 Census and greater participation in civic engagement, and the Southern Economic Advancement Project, a public policy initiative to broaden economic power and build equity in the South. EVALUATING IMPACT

12:00 PM–1:00 PM

Currently the primary measures used to assess the success and effectiveness of law firm pro bono efforts are quantifiable metrics, such as participation rates, percentage of billable hours devoted to pro bono, total hours worked, and the like. But statistics, numbers, and other quantifiable measures do not tell the whole story regarding pro bono programs, impacts and outcomes, and offer only a relatively narrow view of “success.” As we mark the 25th anniversary of the implementation the Law Firm Pro Bono Challenge® initiative, let's discuss additional ways firms can evaluate the impact and quality of their pro bono work. Don't miss this chance to learn and share your ideas with the community!

BOUNCING BACK: HOW CAN RESILIENCE TRAINING HELP?

12:00 PM-1:00 PM

Resilience allows lawyers to adapt to and move forward from the challenges and setbacks experienced in their professional lives. It helps them to create strong networks and mechanisms for developing and supporting a mentally healthy environment for themselves and those around them. This session will explain what resilience is, and how it can be learned (and taught) in order to build mentally healthy and productive individuals and teams for attorneys in any type of practice, whether they work in-house, at a firm, or in a public interest organization. PBI HONORS PRO BONO LEADERS

JOHN J. CONROY, JR.
PRINCIPAL, BAKER & MCKENZIE, LLP

Pro Bono Institute is pleased to honor John J. Conroy, Jr., Principal, Baker & McKenzie LLP† (Baker McKenzie), with the 2020 Chesterfield Smith Award for his extraordinary dedication to pro bono.

The Chesterfield Smith Award is named after the late Founder and Chairman Emeritus of Holland & Knight, who believed passionately in equal justice for all, while standing firm in his conviction that public service and pro bono are absolutely essential elements in the lives of lawyers and in the work of great law firms. The award is not given annually, rather only when warranted by outstanding achievement, and has not been presented since 2013.

An accomplished international banking and finance lawyer, John has demonstrated a career-long commitment to initiatives that address critical societal issues, including access to justice, human rights, diversity, and environmental stewardship. During his tenure as Baker McKenzie's Global Chair and Head of the firm's Global Strategic Initiatives, John spearheaded Baker McKenzie's Corporate Social Responsibility Program, which promotes pro bono and community service, diversity and inclusion, and environmental sustainability.

At Baker McKenzie, pro bono is seen as a fundamental responsibility for all of its lawyers and has become an opportunity for the firm to give back locally, nationally, and internationally. Baker McKenzie is a founding member of PBI's Law Firm Pro Bono Project and is a Law Firm Pro Bono Challenge® Signatory.

As PBI commemorates the 25th Anniversary of the Law Firm Pro Bono Challenge® initiative this year, it is especially fitting to recognize John for his unwavering commitment to pro bono throughout his career.

AMERICAN INTERNATIONAL GROUP, INC.
AND
LUCY FATO, EXECUTIVE VICE PRESIDENT AND GENERAL COUNSEL

Pro Bono Institute is pleased to honor American International Group, Inc. (AIG) and Lucy Fato, AIG's Executive Vice President and General Counsel, with the 2020 Laurie D. Zelon Pro Bono Award.

PBI presents its Laurie D. Zelon Pro Bono Award each year to an individual or organization that has provided exemplary pro bono service. A charter signatory to PBI's Corporate Pro Bono Challenge® initiative, AIG has supported pro bono efforts by its global team for more than 10 years and enjoys a high level of support from its leadership.

In the past five years alone, AIG volunteers have provided approximately 20,000 hours of pro bono legal services to a broad range of clients, including domestic violence survivors, veterans, nonprofit organizations, and low-to moderate-income micro-entrepreneurs, among others. AIG has helped refugees whose lives are in imminent danger by virtue of working with the U.S. military, often as interpreters, in Iraq, Afghanistan, and other conflict zones. AIG has worked on cases for autistic children and children with other special needs to secure vital educational services. Additionally, AIG has worked with first responders and senior citizens on estate planning matters.

PBI applauds AIG and Lucy Fato for their continuing dedication to pro bono and access to justice.
